

INTO is a global network of heritage organisations working together to protect cultural and natural heritage through collaboration, knowledge sharing and advocacy

JOIN INTO

A global family for heritage protection

WHY JOIN INTO?

Unlock opportunities | Amplify impact | Connect and grow

Expert support

Access mentoring, technical advice and funding through our bespoke programmes

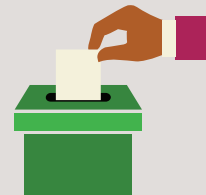

International collaboration

Join global projects tackling climate change, community engagement and inclusive access to heritage

Visibility and influence

Use the INTO logo, gain representation at COP and join a wider network of heritage organisations

Shape the future

Attend conferences, vote on governance and empower young people through the INTO Youth Committee

"We are so grateful to be part of the INTO Family! You always surprise us by how generous you are to share knowledge, experiences and opportunities..." - FUNDARQMX (Mexico)

"By joining INTO, you are effectively employing a new team member with a wide range of experience and expertise to help your organisation" - Din l'Art Helwa (Malta)
